3. Claim Handling Procedure Highlights

CLAIM HANDLING PROCEDURE HIGHLIGHTS

In the event of any occurrence which can result in a claim under any Section of the Policy, the same should be immediately brought to the attention of our Claim Setting Agent (Paramount Health Services) with full details. The address and telephone number of the above mentioned Claim Settling Agent are furnished in the Policy Wording and elsewhere in the Welcome Kit. The telephone numbers work on a round-the-clock basis and they can be contacted at any time of requirement. Necessary assistance and instructions in regard to your claim / treatment will be furnished by them.

The claim settlement can be of two types:

• Direct payment to the hospital or other service providers can be effected by Paramount for hospitalisation and transportation costs as detailed in the Policy. Our Claims Settling Agent will provide this service only when they have been informed about the illness/accident prior to obtaining the treatment. Accordingly it is absolutely essential to contact them prior to obtaining services from hospitals etc. In case this is not possible, claim will be treated as a reimbursement settlement which will be handled by Paramount as stated below. Direct payments will also be effected by Paramount for Financial Emergency assistance and Personal Liability Section claims.

• For all other Sections of the Policy coverage as well as for medical expenses where direct payment to service provider was not / could not be arranged, including pharmaceuticals and other out-patient treatment, reimbursement settlement will be effected after the Insured’s return to India. Such reimbursement settlements will be processed by Paramount Health Services and all such payments will be effected in Indian Rupees. Accordingly Paramount should be contacted for any matter involving reimbursement claim handling and processing after the return of the Insured Person to India.
